GRADES PRE-K THROUGH 5 | SPRING 2024

“Join us for an unforgettable
adventure of learning and
discovery in a supportive
exciting environment.”

— PENINA MAGID, DIRECTOR OF
ARTS AND ENRICHMENT

Exploring excellence: Exceptional enrichment classes

Exciting Spring Enrichment Opportunities! Springtime at Schechter brings a fresh line up of engaging enrichment classes, designed to inspire and captivate students from PreK to grade 5. Whether it's focusing on the arts, exploring STEM concepts or developing athletic abilities, there's something for everyone. From Enrichment Classes to Afterschool Hour, Music Lessons and Extended Day options, our spring program offers a holistic approach to education. We aim to nurture confident, inquisitive learners who are eager to embrace new challenges!

As the days grow longer and the weather warms, we invite your children to embark on a journey of discovery and growth with us this spring.

Afterschool at Schechter

Program Name	Who Can Participate?	When?
Extended Day	Pre-K-Grade 8	Monday-Friday from school day dismissal until 6 p.m.* Friday times vary. NEW: changes to Wells campus, please see below.
Enrichment Classes	Pre-K-Grade 5	Most classes take place during the hour following school day dismissal.
Afterschool Hour	Pre-K-Grade 5	Monday-Friday, one hour of Extended Day following school day dismissal.
Private Music Lessons	Pre-K-Grade 8	Weekly half-hour lessons scheduled after school. See below for more information.
Drop-In	Pre-K-Grade 8	Monday-Thursday from school day dismissal for one hour or until 6 p.m. Friday times vary. Register for drop in by changing dismissal in School Pass.

Extended Day: Grades PK-8

For families who need their children to stay at Schechter at the end of the school day for the full afternoon, the Extended Day program is the best option. This program offers a dynamic array of activities such as art, STEM and cooking as well as time for free play, homework and socializing. The cost is \$30 for the afternoon and is registered by trimester (fall, winter and spring) on the Popsicle Afterschool registration site.

***Please note Changes for Wells Students: after 4:05 p.m. there will be programming at the Stein campus ONLY. Wells students in grades 4-8 who are registered for extended day will be shuttled to Stein. Shuttle schedule will be as follows:**

- ◇ Monday - Thursday 4:15 p.m.
- ◇ Thursday - 3:30 p.m.
- ◇ Friday - 2:15 p.m.

Afterschool Hour: Grades PK-5

Afterschool Hour is for families who want to have their children stay at Schechter for only one hour after the regular school day ends. Students can participate in a variety of activities such as art, science, building, games or enjoy supervised free play/recess. Grades 4-5 will also be able to work on homework in a supervised study hall. Afterschool hour is a more open alternative to enrichment classes. The cost is \$18/day and is registered by trimester (fall, winter and spring) on the Popsicle registration site.

Private Music Lessons: Grades PK-8 (3:00-6:00 p.m. on Monday-Thursday)

Weekly half-hour, private music lessons offered through the Schechter Afterschool Music Program. Instruments include, but are not limited to piano, guitar, drums, strings and voice. Lessons are \$48 per half hour and are registered by trimester (fall, winter and spring). If you are interested in lessons, please fill out this [Music Lesson Interest Form](#). Contact liz.chesarone@ssdsboston.org with questions. Once you have been assigned a lesson time, you can register for lessons on the Popsicle Afterschool registration site.

Drop-In: Grades PK-8

Drop-in is our option for families who only need their student to stay on an occasional basis. Students can stay for one hour or the full afternoon when they are “dropping in.” Parents MUST change the student’s dismissal information in School Pass to arrange for drop in.

Program Descriptions

Monday

TENNIS LESSONS (GROUP) \$350

3:00-4:00 p.m. or 4:00-5:00 p.m. | Grades 1-3 | JSX Tennis

Students will work on forehand, backhand, volley, rallying, serve and intro to point play. Every class practices and builds on tennis specific hand-eye coordination, and ball contact skills in an energetic and exciting way by incorporating teaching games. Class will be held outdoors or indoors depending on weather conditions.

Racket size: 21 inch or 23 inch; bring your own or one will be available.

Tennis Balls: red (slightly oversized, lowest air pressure, slowest ball) and orange (next level up)

SPORTS GALORE \$200

3:00-4:00 p.m. | Grades 1-3 | Viking Sports

This is the perfect class for students who love sports, want to learn to play a variety of sports or for the student who loves to run around and have fun! Each week students will be introduced to the game of the week including soccer, basketball, baseball, kickball, capture the flag, floor hockey, team handball, watermelon, reindeer tails, and other sports and gym games. Our goal for every student is to make sure they have the most fun ever in a safe environment. Join this class for lots of sports, games, running around and tons of fun!

CERAMICS \$225

3:20-4:05 p.m. | Grades 4-5 | Jana Silver

Welcome to an exciting clay class! Explore the world of ceramics with coil, pinch and slab techniques creating functional and decorative pieces. After bisque firing, dive into a world of glazes to bring your creations to life. You'll turn clay into captivating, original extraordinary works of art! This is a class designed for students who love art and want to develop ceramics skills and explore their creative ideas. Returning and new students are both welcome!

Tuesday

PUDDLESTOMPERS \$250

3:00-4:00 p.m. | Grade Pre-K | Puddlestompers

***Please Note: Class will not meet on Tuesday, April 16**

Let's get outside and enjoy SPRING! Come explore the outdoors as we look for signs for Spring, and answer questions such as: How does a seed sprout? How do bees make honey? Which animals around here go through metamorphosis?

BALLET FUNDAMENTALS \$275

3:00-4:00 p.m. | Grades Pre-K-K | The Dance Academy

In this class, we will be exploring new ways to move our bodies! Students will learn some basic ballet techniques, play movement games and participate in ballet-based choreography projects.

CHIMERS \$200

3:00-4:00 p.m. | Grade K | Eugenia Gerstein

Kindergarten students will be introduced to the Glockenspiel, learn basic notation, and learn to play and sing a variety of simple songs in this musical class. As eye-hand coordination is improving, melodic memory is stronger, and children have a keen interest in re-creating the melodies he or she sings and hears, kindergarten is the perfect time to start learning this fun instrument!

ADVANCED BEGINNERS KARATE \$295

3:00 - 4:00 p.m. | Grades K-2 | Bushido Martial Arts

In this class our main focus is to develop our students' concentration, confidence and discipline through karate. We will teach basic fundamentals of karate such as punches, blocks, kicks and stances. At the same time students will learn good morals, values, respect and the importance of using these techniques for self-defense only and never to harm others. Class includes a belt test at the end of the term. If you will need a uniform for your student, please use the uniform add-on option when checking out.

FILMMAKING: PUPPETRY SKITS \$295

3:00 - 4:00 p.m. | Grades 1-2 | Cinemakidz

This course is all about creative building, storytelling, and working together to make a TV Show! Think projects range from The Dark Crystal to Sesame Street like skits! Kidz explores different puppetry styles, creating several exciting puppets of their own and learning to bring their character to life with basic puppet manipulation, voice acting and interactive storytelling! Kidz will learn how important working together is when they help one another create a scene and bring their puppets to life in a series of short skits. Kidz work together to manipulate the movements of their puppet, while others film and act out the scene using their voice, as well as act in the skits themselves. Participants will experiment with various creative techniques to film these skits, using green screens and stop motion to name a few. Finally participants will help edit the final project.

COOKING BASICS \$250

3:00 - 4:00 p.m. | Grades 1-3 | Erica Rosenthal

Do you want to improve your basic cooking skills while making delicious recipes? Then this is the class for you! In this class, we will focus on cutting, peeling, measuring, sifting and many other skills that will make you a master in the kitchen!

*Please Note: Students can only register for only one term of cooking throughout the school year in order to give all students a chance to participate.

BASKETBALL \$225

3:00 - 4:00 p.m. | Grades 2-3 | Coach Rudy Crichlow

Join Coach Rudy in a season of basketball! Rudy Crichlow, an elite basketball coach and the owner of Mass Commanders, will teach this class. The class is geared for students who love basketball and want to improve their skills. The class will consist of drills to develop shooting skills and ball handling techniques.

MASTER PAINTING \$275

3:00 - 5:00 p.m. | Grades 2-3 | Susan Fusco-Fazio

***Please note: students can stay for 1 hour or 2 hours (3:00-4:00 p.m. or 3:00-5:00 p.m.)**

All new artists and projects. Paint what you love! Love what you paint! Learn how famous artists paint, then paint your own ideas, in your own style. Develop greater painting skills on canvas, fabric, ceramics, objects and on paper while experimenting with brushes, palette knives, color mixing, stenciling and more. Artists will try out different art forms and techniques of realism, impressionism, pointillism, surrealism, pop art and abstraction, and will also do mixed media, combining drawing, and painting with collage. Artists will paint with watercolors, tempera and acrylics. Charcoal and pencil will be used for drawing and sketching ideas. This is a great class for anyone wanting more time to make art at school. The class will culminate with an art exhibit and reception for the artists and their families.

Program Descriptions, continued

FLOOR HOCKEY

\$225

3:20 - 4:05 p.m. | Grades 4-5 | Viking Sports

During the first half of the class, players will be introduced to the basic skills of puck handling, passing and shooting. The second half will be a fun-filled scrimmage. Age-adjusted rules are used as necessary. There is an emphasis on fun and learning.

Wednesday

SENSORY GAMES AND FUN

\$225

3:00 - 4:00 p.m. | Grade Pre-K | Jami Zolotor

This is the perfect class for your little problem-solvers to explore with sensory play materials! This class will practice real life skills like pouring and scooping while also building on their skills of investigation and multi-step processing; physical skills like spatial awareness and fine motor skills; and cognitive skills like reasoning and problem solving.

In this child-led class, students will interact, investigate and analyze new things from the start. Just providing opportunities and experiences to use this innate ability is enough for it to become hard-wired in the brain. Sensory activities encourage this exploration, actually strengthening your little one's ability to learn. Letting them explore in their own way promotes self-guided, independent play, confidence, longer attention spans, persistence, self-confidence and sets your little one up for a love of learning! New activities. Open to returning students or newcomers.

MAKER'S LAB

\$275

3:00-4:00 p.m. | Grades K-1 | Amanda Strawhacker

Step into a world of imagination and discovery in our Maker Lab designed for kindergarteners and first graders! This class is a delightful mix of creativity and education, offering hands-on projects! Equipped with child-friendly tools and materials, kids get to build and bring their ideas to life. Whether it's crafting a mini zoo or constructing simple structures, every class is a chance for hands-on exploration. The class will also include programming using KIBO Robots as students are introduced to basic STEM concepts through play! This class will appeal to little inventors, tinkerers and designers. All new projects. Open to returning students or newcomers.

THEATER KIDS

\$200

3:00 - 4:00 p.m. | Grades K-1 | Beth Dodson

Come explore the elements of theater through activities designed to build theater skills. In this class we will play theater games and do storybook theater. This is a non-performance class designed to foster creativity and build confidence.

CHESS

\$250

3:00 - 4:00 p.m. | Grades K-3 | Chess Wizards

Chess Wizards is a fantastic way for kids to experience the excitement of chess. Students will have interactive lessons and play cool chess variants that build teamwork and foster a genuine enjoyment of a game that is over a 1,000 years old! It is proven that chess enhances cognitive development in children, improves both verbal and mathematical skills and increases all levels of academic performance. Playing chess stimulates the mind and helps children strengthen skills such as focusing, visualizing goals, abstract thinking and forming concrete opinions.

EXPLORING CREATIVITY: MULTI-MEDIA ART ADVENTURES

\$275

3:00-4:00 p.m. | Grades 1-3 | Susan Fusco Fazio

Join us for an adventure in self-expression and artistic discovery! Our multimedia art class offers an exciting creative journey. Through a diverse range of mediums including painting, sculpture, collage, printmaking and textile arts, students will unleash their creativity while learning essential techniques. Parents are invited to an end of session exhibit.

BASEBALL

\$225

3:00-4:00 p.m. | Grades 2-3 | Viking Sports

Slide into the summer. We teach students the important techniques necessary to play in the MLB. Our coaches provide in depth instruction that help you become an all around baseball machine. Become the best player on the field by displaying unparalleled skill in batting, fielding, throwing, pitching and base-running. Fine tune your skills with games like the Home Run Derby, Pickle, Spud, Fenway Baseball, and many more.

SPRING COOKING

\$250

3:00-4:00 p.m. | Grades 2-3 | Erica Rosenthal

Spring is quickly approaching and we are excited to cook some recipes to celebrate this wonderful season! From making recipes for Pesach and Shavuot, to incorporating fruits and vegetables that are in season in the spring, we will be cooking up a storm highlighting all the best parts of spring!

*Please Note: Students can register for one term of cooking throughout the school year in order to give all students a chance to participate.

FENCING

\$325

3:00-4:00 p.m. | Grades 2-3 | Dynamo Fencing

Fencing, the art of swordsmanship, has been practiced for centuries. Originally geared for combat it is now staged for Olympic gold. The sport of fencing develops quick thinking, discipline, agility and speed. Students will learn footwork, basic attacks, defense and tactics of the sport while improving overall fitness and agility. Most importantly, it is safe and fun.

MINECRAFT

\$350

3:00-4:00 p.m. | Grades 2-3 | iCode

Calling all artists, engineers, creators, gamers and coders! In this course, students will learn how to make mods (modifications) for one of their favorite games, Minecraft using a popular tool. Learning to mod in Minecraft is a gateway to an adventure of creativity in computer skills that can be taken from video games to the real world. Students will build new tools, items, building blocks (coding) and create custom armors. They will also create custom biomes and structures to create structures and worlds in Minecraft. This class is for new and returning students.

Program Descriptions, continued

KIDS IN THE KITCHEN \$195

Join a season of basketball with elite coach and owner of the Mass Commanders, Rudy Crichlow, and get ready for Middle School sports. Focus on skill development like shooting, dribbling, ball handling and game situations. This class is a great way to improve sports skills and sportsmanship.

Thursday

ACTIVE GROUP GAMES \$250

3:00-4:00 p.m. | Grade Pre-K-K | Jesse Wolf

Let's get moving with Active Games designed specifically for Pre-K kids! In this lively session, little ones will enjoy a variety of fun-filled activities aimed at developing gross motor skills, coordination, and social interaction. From relay races to parachute games and obstacle courses, each game is carefully crafted to engage young minds and bodies in playful exploration.

HOP AND BOP \$295

3:00 - 4:00 p.m. | Grades Pre-K-K | The Dance Academy

Come move with us as we hop and bop! Students will learn to move their bodies in new ways while dancing to rhythmic, upbeat music! We will learn some basic hip hop movement techniques, play games and work together to learn a funky hip hop dance.

SPORTS GALORE JR. \$250

3:00 - 4:00 p.m. | Grades K-1 | Viking Sports

This is the perfect class for students who love sports, want to learn to play a variety of sports or loves to run around and have fun! Each week students will be introduced to the game of the week including soccer, basketball, baseball, kickball, capture the flag, floor hockey, team handball, watermelon, reindeer tails and other sports and gym games. Our goal for students is to make sure they have the most fun ever in a safe environment. Join this class for lots of sports, games, running around and tons of good times!

ABC ART \$295

3:00 - 4:00 p.m. | Grades K-1 | Susan Fusco Fazio

ABC Art welcomes new artists and artists who attended the fall and winter sessions of ABC Art. Artists will create a different art project each week inspired by a letter in the alphabet, beginning with the letter "Q," since we covered letters "A" through "P" this year in ABC art classes. Students will learn about famous artists, explore a variety of art materials, try out new art techniques, and apply their own ideas and imaginations. Projects will include drawing, painting, collage, and working with clay. In the spirit of a student centered learning, our young artists will have an opportunity to voice their own ideas for some of the letter based art projects. Come be creative and join the artful fun!

CUPCAKE DECORATING \$285

3:00-4:00 p.m. | Grades 1-3 | Erica Rosenthal

Do you ever look at cakes or cupcakes and wonder how people get them to look so beautiful? In this class you will learn the tips and tricks that professional pastry chefs use to make their treats look delectable! From making cupcakes look like miniature pies, different animals, or flowers, we will explore all cake decorating has to offer.

TECH CLUB \$350

3:00-4:00 p.m. | Grades 2-3 | iCode

Explore all you can do with our Tech Club class! This is the perfect class for the student who wants to try a variety of STEM technologies. We will be exploring 3D modeling, 3D printing, stop motion animation, digital arts, keyboarding and more. Through these programs, students will learn foundational concepts in computer skills, programming, game development with extra exposure to patterns, sequencing and logical thinking that results in an improved ability to solve problems. Students will work on challenges and activities every week and get to choose which STEM technology area to focus on for their final project.

ACTING WORKSHOP \$275

3:00-4:00 p.m. | Grades 2-3 | Ashlee Benner

***Please note: begins April 18th**

Get ready for an adventure in our six-week Acting Workshop tailored for grades 2 and 3! Dive into character development, movement, and scene. Through fun activities, kids will explore acting techniques and teamwork while boosting confidence and unleashing their creativity. Join us for a dynamic journey where every child's imagination takes the spotlight!

ADVENTURES IN MAGIC \$300

3:00-4:00 p.m. | Grades 2-3 | Mr. Steve

Performing magic tricks provides children with a sense of accomplishment and self-assurance they can take with them for their whole lives. This class will introduce children to the wonders of magic through simple yet effective magic tricks such as The Amazing Chocolate Chip Cookie Bag, The Magic Block, The Disappearing Crayons and more! Participants will have the opportunity to make, practice and perform the tricks themselves. For the final class, children will have the opportunity to put on a Magic Performance for their family and friends.

VIDEO GAME DESIGN \$275

3:20-4:05 p.m. | Grades 4-5 | Amanda Strawhacker

Do you love to play videogames? Do you have great ideas to improve them, or even make your own games someday? Join and explore the fundamentals of digital game creation in this fun afterschool enrichment class! Students will learn what makes great games so fun by playing examples from a variety of genres including classic games, sandbox adventures, and strategic simulations. After learning some fundamentals, they will get to design their own mazes, sports games and scroller simulations using the Scratch programming language. Along the way, students will hone problem-solving skills and foster creativity in a fun and informal learning environment. Come game with us!

FLAG FOOTBALL \$250

3:20-4:05 p.m. | Grades 4-5 | Viking Sports

Students will have fun while learning skills that will be useful on both sides of the ball. Some of the skills we teach include the core components of passing, catching and de-flagging. Students will play a game of flag football each week.
